FROM THE PASTOR

Dear PPC Community,

Many thanks for your faithfulness to Christ and our church community through the years. For all who increased financial pledges last year, another word of thanksgiving! Due to the generosity of this congregation, there are ministry successes to celebrate in 2022! Looking ahead in 2023 we will harness our energy from the Psalmist who reminds us that, "God is our refuge and strength, a very present help in trouble" (46:1). With that reminder in the midst of these turbulent times we are all invited to focus on those things that pay dividends in our lives. With dividends we may actually gain even when things are down. What dividends do you receive from Potomac Presbyterian Church? What dividends does your faith in God and Jesus pay? Faith pays dividends!

Please prayerfully consider pledging an 8% increase to our church which will enable us to maintain our current programs in this period of 8% inflation. An increase of 10% or 15% or more will allow us to implement plans that have been developed to expand outreach. May we be reminded through this congregation of God's people that God is faithful in all things and being in relationship with God and with one another pays dividends beyond what's imaginable. Invest in your church.... the dividends are the best.

Grateful for your partnership in ministry!
Pastor Emily
